The Arc promotes and protects the human rights of people with intellectual or developmental disabilities and actively supports their full inclusion and participation in the community throughout their lifetimes.

People First – The Arc believes that all people with intellectual or developmental disabilities are defined by their strengths and inherent value, not by their disability..

Equity – The Arc believes that people with intellectual or developmental disabilities are entitled to the respect, dignity, equality, safety, and security accorded to other members of society and are equal before the law.

Community – The Arc believes that people with Intellectual or developmental disabilities belong In the community and have fundamental moral, civil, and constitutional rights to be fully included and actively participate in all aspects of society.
